

M'Chigeeng Public Works

LOW COST DOG SPAY & NEUTER SERVICE

M'Chigeeng First Nation has had a long issue with pet overpopulation. The high number of dogs running at large and running in packs within the community is a danger to band members, especially children. These dogs are mating and in turn causing the problem to grow year by year. Below are rates for Scott Veterinary Services clinics MFN has agreement with:

Scott Veterinary Services Fees:

Weight	6mths	Spay		Your Cost
